

ALEX ASUMA MAKORI

CELL NO: +254 726 855 096 | EMAIL: asumaalex346@gmail.com

PROFESSIONAL PROFILE

I am a motivated first-year Computer Science student at Egerton University with hands-on experience in IT support and technical operations. Strong interest in computer networking, NOC operations, and IT infrastructure management. Familiar with networking fundamentals including IP addressing, subnetting, and basic routing and switching concepts. Demonstrated ability to troubleshoot technical issues, document system activities, and support network-dependent environments. Eager to gain practical exposure in live network operations.

TECHNICAL SKILLS

- Networking fundamentals: IP addressing, subnetting, basic routing & switching concepts.
- Basic understanding of LAN environments and network-dependent systems
- IT support and troubleshooting (hardware, software, OS-level issues)
- Windows OS installation, configuration, and system setup
- Database record management and basic data handling
- Documentation of technical tasks, incidents, and configurations
- Microsoft Office Suite (Word, Excel, PowerPoint)

PROFESSIONAL SKILLS

- Analytical and structured problem-solving
- Attention to detail and technical accuracy.
- Team collaboration and clear communication
- Ability to learn quickly in fast-paced technical environments.

EDUCATION

Bachelor of Science in Computer Science

Egerton University – Main Campus

2024 – Present (First Year)

- Building a strong foundation in computer science, problem-solving, and computing systems
- Developing a focused interest in computer networking and IT infrastructure

Kenya Certificate of Secondary Education (KCSE)

St. Aloysius Gonzaga Secondary School - scored B+ 71 points

2021 – 2024.

WORK EXPERIENCE (VOLUNTEER)

- IT Head Assistant (Volunteer) – Ushirika Girls Secondary School
Jan – June 2024
- Provided technical support for computer labs and classroom systems.
- Assisted in troubleshooting hardware, software, and connectivity-related issues.
- Supported network-dependent multimedia systems for online classes and presentations.
- Managed and updated digital student records and databases.
- Installed and configured computer systems and peripherals
- Documented technical tasks, system issues, and resolutions.
- Set up public address and communication systems for school events.

LEADERSHIP EXPERIENCE

Class Prefect – St. Aloysius Gonzaga Secondary School (Form 3 – 4)

- Coordinated communication between students and teachers
- Assisted with administrative and organizational tasks
- Promoted discipline, teamwork, and responsibility

CERTIFICATIONS & ACHIEVEMENTS

- Certificate of Completion – Six Months Voluntary Community Service
- Certificate of Participation – National Humanities Contest
- Certificate of Participation – National Science Contest

INTERESTS

- Computer networking and infrastructure technologies
- Cybersecurity and IT systems security
- Hands on technical learning and problem solving.
- Community-based technology support initiatives

REFEREES

Mr. Ebenezer Omwilwatsi
